ASSISTANT CLERK: Next a endment is offered by Senator Bohlke.

PRESIDENT ROBAK: Chair recognizes Senator Bohlke to open on her amendment.

SENATOR BOHLKE: Madam President and members, I opened on...talked about this amendment on General File and talked about the needs and the concerns of health care with welfare reform and what we've discovered in the pilot project in my area of the state and the concerns that I had continually raised on how we're going to meet those needs and that I felt had not been addressed. People have been meeting. There's going to be a meeting in Hastings tomorrow to talk about the issues that were raised at that time, and so at this time I will pass over and hope that before we get to Final Reading that I will be able to
